

## Overseas Opens New State-of-the-art Distribution Center

**Market leader Overseas Express opens a new 1.500 square meter state of the art distribution center in Matulji, an investment valued at 3.5 million euro, continuing its trend of strategic investment and creation of new jobs in the region.**

**Zagreb, 19. February 2009.** – Overseas Express, Croatia's leading provider in business-to-business courier express parcel distribution is pleased to announce that it has opened a new state-of-the-art distribution and warehousing center in Matulji, an investment valued at 3.5 million euro. The new 1.500 square meter full-scale distribution center and warehouse is designed to act a central hub for the key regions of Rijeka, Kvarner and Istra and will further support Overseas high standards of customer service and 24 hour quality distribution throughout the region.

The sizeable new logistics center is located on a 5.000 square meter landscape and increases Overseas warehousing capacities five fold, allowing it to continually meet the changing needs of the marketplace. The new distribution center enables Overseas to provide its clients with warehousing and commissioning services while continuing to meet its high quality service standards. The facility currently employs approximately 20 people and is expected to create new jobs in the future.

“This new centre reflects our continued dedication to lead the Croatian marketplace and provide our customers with an unparalleled level of quality service. We look forward to being able to better serve our customers and to continually meet their changing needs with the growth of their operations,” commented Tanja Rukavina, Managing Director of Overseas.
